NO. 252P - SOCIAL SECURITY AND WITHHOLDING TAX RECORD

Size: 8½"x 11"

A book designed for one purpose - accurate, at-a-glance social security and withholding tax information on each employee. Wire-bound pages lie flat for easy entries; each book contains 25 yearly forms.

Columns for time worked, time lost, earnings, overtime, deductions, check number, net amount paid and employer's tax (federal and state). Section for recording complete social security history and income tax record information: department, age, marital status, previous employment, etc. One sheet for each employee, all year long!
