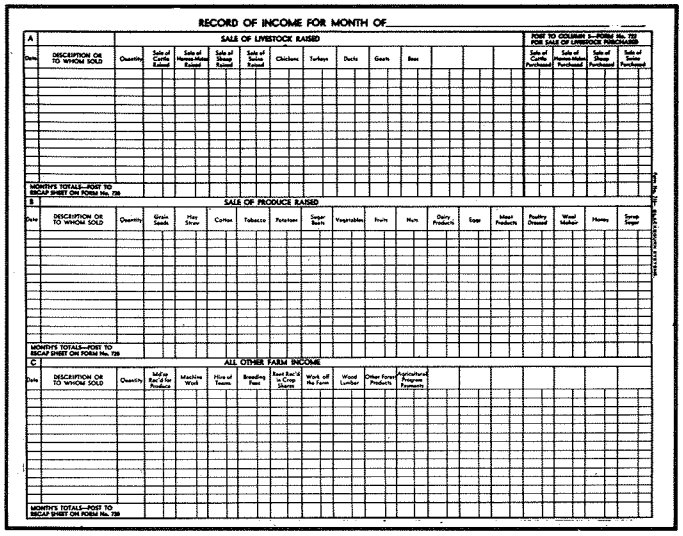
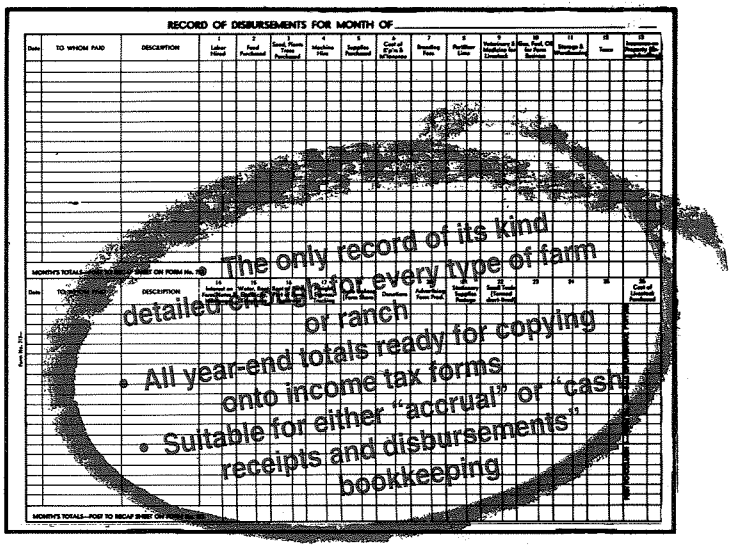
# NO. 715P - FARM AND RANCH BOOKKEEPING

**Size: 13" X 10" Wire Bound**

**MAIN SECTION: Record of Income (Sale of Livestock Raised, Sale of Produce Raised, All Other Farm Income) and Record of Disbursements**





On the two pages before you is an entire month's record of income and disbursements, complete and detailed.

Each income page is divided into three sections: sale of livestock, sale of produce and all other farm income. Under these broad headings, columns provide for animal types, grains, fruits, eggs, etc., machine work, breeding fees, lumber, etc. At the end of the month, totals in each category are posted to the recap page and from there transferred to tax return.

Disbursement record also is divided into detailed columns, showing amounts for labor, feed, veterinary, gas and oil, and other common farm expenses. At month's end, expenditures are transferred to recap page.

Other useful pages include space to draw out a map of the farm, production and insurance records, egg & milk production records, depreciation schedule, employee social security and withholding tax information and a page of definitions of terms used.
